

“20 Minus 2 Years”

“One package at a time with lots of love”

From the desk of Marva Lyons, President, Founder of Their Angels

Their Angels Military Support Group, Inc., is coming to a close. Saturday, December 3, 2022, will be our final packing as we end our eighteen years together. Their Angels journey began in 2004 in my home and soon after move into a community setting September 3, 2005. We are proud and privileged to have served our military for the last eighteen years by providing them with civilian rations, personal care packages, letters and cards. Over the years we have established many partnerships and friendships with some of our local schools, Girl Scouts, Boy Scouts, Elks Club, Martinez Veteran Hospital, Letterman Army Hospital at the Presidio of San Francisco, DeAnza High School Air Force ROTC, Operation Interdependent Gilroy, Mary Kay, Camp Parks Military Base, USO, Mounted Messengers Christian Motorcycle Group, Presidio Military Base Monterey, Diablo Valley Corvette Club, Hilltop Church of Christ, Marine Corp Toys-For-Tots, Operation Home Front & the Dollar Stores, Hope's Chest, Westside Church of Christ, San Mateo, 81 North 8th Street Church of Christ, San Jose, Director of Gold Star/Military Family Programs & Assistance and numerous other friendships will last forever.

However, we want to continue to send letters to the troops by partnering with other local agencies, so we'll provide you with an address in December. We can't thank our volunteers enough for their support, without you it would not have been possible.

A Farewell Celebration is in the planning stages for 2023, and we will keep you all informed. Again, thank you for your support!
